**Applicazione:** all'estremità laterale sinistra della serranda.

**Funzionamento:** a ingranaggi.

**Finiture:** cilindro normale ottone, cilindro sicurezza serie U nichelato opaco, serie W nichelato sabbiato opaco, scatola zincata.

**Accessori:** vedi 6221.

**Nota:** per set di cilindri serratura - selettori vedi pag 138.

**Application:** at lateral end side of rolling shutter.

**Operation:** geared.

**Finish:** normal cylinder brass, U series nickel plated matt, W series nickel plated sandblasted matt, galvanised case.

**Accessories:** see code 6221.

**Note:** for lock / selector combined cylinder see page 138.
