

Silca Slot Key for BMW®

HU131RS05

Emergency key

Silca is pleased to introduce a new reference for duplicating BMW® slot keys: the perfect solution for replacing damaged or lost keys, or to have a duplicate in case of emergency.

What are the main features?

The Silca Slot Key for BMW® has a similar design as the original key and is supplied ready-to-programme with the PCB, transponder and emergency blade included.

It has three function buttons (lock, unlock, and boot release) and can be used on the vehicle models listed below. The key can be programmed with Smart Pro.

The key is packed individually in a plastic clamshell for easy identification and hook display.

CE The Silca Slot Key for BMW® has been produced in conformity with CE mark European standards.
