

Silca Proximity Key for Renault® VA2P26

VA2P26

Emergency key VA2

Silca is pleased to introduce a new reference for duplicating Renault® proximity keys: the perfect solution for replacing damaged or lost keys, or to have a duplicate in case of emergency.

What are the main features?

The Silca Proximity Key for Renault® VA2P26 has a similar design as the original key and is supplied ready-to-programme with the PCB, transponder and emergency key VA2 included. It has four function buttons (lock, unlock, boot release and lights) and can be programmed with Smart Pro.

The key is packed individually in a plastic clamshell for easy identification and hook display.

CE The Silca Proximity Key for Renault® has been produced in conformity with CE mark European standards.
